## President's Report

Stepping into the role of club President for the first time this season, and striving to live up to the expectations of Gavin Connoughton was a daunting task to say the least. Not only was his off field leadership admired by all, but the way he managed to translate that strong leadership into on field success was nothing short of enviable. Following the great achievements of 2009/2010, we had the bar set extremely high for us this season, both on and off the field.

On the field, our top three grades (A, B and D) all finished on top of their respective tables and earned home ground Grand Final honours. This is a feat to be very proud of. Our G and H teams both finished in 2nd position in their grades, also earning themselves a 'home' semi final. Unfortunately we didn't have enough grounds in Kingsley and Woodvale that weekend but they still did our club proud by getting that far.

Being part of a large club means that often our lower grades (4th, 5th and 6th) go into battle each week against other clubs higher grades. It is testament to those sides to not only remain competitive throughout the season, but also to feature prominently in the finals in the case of G's and H's. Unfortunately our E grade side could only manage 5th place, but this was still a result they should be proud of. It's not easy being a club's 4th XI taking on a number of club's 2nd and 3rd XI sides. Well done guys and hopefully you can go one better next season.

Throughout the finals it has been mentioned by many that it's hard to believe a club can have such great on field results and not take out the NSCCA Champion Club award. Unfortunately, the way in which the award is calculated has not worked in our favour. At a glance of season 2010/2011, however, I consider KWCC to be just that...a Champion Club. Something no mathematical equation can take that away from us. Well done lads.

With on field success also comes on field responsibilities. The association have identified poor player behaviour as a key reason behind poor umpire recruitment and retention. As a result, the association have decided to make a concerted effort to crack down on poor behaviour. We would all rather play under panel appointed umpires, and to this extent, we will support the association in their endeavours to clean up our game. Our club has unfortunately witnessed firsthand the results of this crack down which has hopefully given us all a small lesson in what is to be expected from here on in. All players, however, are expected to play our great game with respect, and those that wish to step out of line will receive no sympathy from this club. This will be addressed further next season.

A wise man once told me that if individuals have and show respect for the game (including umpires), respect for their team mates, and respect for

their opposition, then all of the problems mentioned above will disappear. Thankfully, I'd like to think that the overwhelming majority of our club do have and do show that respect on all three levels. This is what we expect from all club members.

I would like to greatly thank our captains for doing another brilliant job this season. We tend to forget that captains are not only the ones making game day decisions, but they also act as conflict resolvers and mentors to the younger players, a responsibility that ensures the future of our club. They are often the ones who are criticised first when things don't go right. They also have to make the tough choices regarding team selections, often having to disappoint a team mate in the process. Tasks which I'm sure none of them enjoy doing, but must be done. Without our captains, we would not have a club. If you haven't already done so, next time you see your captain without a drink in his hand, perhaps you can offer to buy him one as a way of saying thanks for the effort.

A Grade	Brad Sutton
B Grade	Drew Templar (ably assisted by Matt Veitch and Chris Bennett)
D Grade	Terry Leighton
E Grade	Douglas Ruddle
G Grade	Dave Jones
H Grade	Peter Duffy

On behalf of Kingsley Woodvale Cricket Club, thank you very much for your efforts this season. They appreciated by all.

We were grateful to retain the services of club coach Chris Jones who was skilfully assisted by Lachlan Chilman once again this season. Exciting times in both of their lives off the field saw the arrival of their first children (Isla and Jasmine) this season, so congratulations to Claire and Jody too as well. Thank you for allowing them to continue their efforts during what must be a hectic time in your lives. Chris and Lachlan have become more than just coaches at our club; they are most defiantly great KWCC members through and through and we look forward to having them again next season. Thanks again guys.

I took great joy in reading out the votes during this season's Jones Bridges Medal Count. After last year crowning a young player from A grade, we saw the table turn as we announced the winner of the 2010/2011 medal, Wayne Apps, an older player largely from our bottom grade. I hope this has provided a solid foundation for the integrity of the medal, and it becomes something for all players to strive towards. Congratulations Wayne! For all our on field success, none of this can be achieved without the dedicated individuals that make a community sporting club such as ours possible. From the important decisions right down to the smallest of tasks

that most may take for granted, the committee this season has done an outstanding job in ensuring our club and club culture continues to grow. All are proud members of our club who have worked away behind the scenes for little reward or accolade. So to Kent Burton, Matt Rowston, Chris Rae, Chris Bennett, Nathan Bennett, Daniel Sadik, Josh Bowler, David Shultink and Josh Keenan....on behalf of both myself and the club, thank you very much.

I would, however, like to make special mention of a couple of committee members who have gone well above and well beyond the call of duty. We had an outstanding social calendar this season, with events such as the Lawn Bowls, Cocktail Night, Bazza's Match, Horse Racing, Jones Bridges Medal Count, and the Poker Tournament. This sustained effort has been largely attributed to the dedication of Chris Bennett. Without functions such as these, essential club fundamentals such as a strong social culture cannot be achieved. These should not be taken for granted. Chris also had the support and assistance of Katie Healey (nee Lenhard) and Katelyn Sadik (nee Malcom) throughout the season that put in a great deal of their own time and put the finishing touches on each event, so if you get a chance, make sure you say thanks to them as well. Chris' fresh ideas and leadership has been a welcome addition this season.

Another outstanding individual this season has been Chris (the Juice) Rae. He has once again put in a terrific effort working closely with our sponsors this season, backing up the excellent work from previous seasons. Chris, along with others, has provided us with an integral link to the junior and minis clubs. Throughout February and March, on most occasions Chris single handily opened and ran the bar for the parents and children on Friday evenings. From the couple of evenings I attended, it looks as though Chris had his work cut out for him. Chris is an absolute champion and an individual at our club that really does make a difference. You'll never hear him say a bad word about anyone or come to you with any problems he doesn't already have a solution to. I'm not too sure what we'd do without him. Thanks again, Juice!

I recall at last year's Annual General Meeting (AMG) that I mentioned having a relatively young and fresh faced committee with a few ongoing regular work horses to keep the ship steady will give some of the older 'legends' of the committee a chance to relax and just enjoy being part of the club for a change. Having said that, my first order of duty was to ask Pete Duffy to put his name on the bar, John Finnie to coordinate (and in most cases undertake) the restocking of the bar, Craig Bennett to help out with the liquor licence extensions and Dave Jones to look after the weekend results for the newspaper. I had to laugh, but it just goes to show that you don't have to be on the committee to make a difference. Looking after and running our club is the responsibility of all of us, not just the committee. I would love to have more of these people at the club. Thank you to all of

those members not on the committee who have helped out this year, no matter how big or small the task.

I'd like to break the mould for a moment and also thank Tim Park and his team on the NSCCA committee. I know our club has caused a headache or two for them this season from an administration point of view and I think they have done a terrific job in dealing with them. We should remember that, like us, they are all volunteers who are doing their best and dedicate a lot of their own time to make this competition possible for all of us to enjoy. Of course without the continued support of all our valued sponsors, none of the above would even be possible. To be part of our community and to represent our community through our cricket is the basis of our club. Something we should not forget. To this extent, thank you very much to Cummins, Bendigo Bank (Kingsway), Kingsley Tavern, Thorn Mechanical, Ryan Campbell Sports, Urban Box Design & Drafting, Andrea Mitchell MLA, Hydrosonic Plumbing and Symes Financial Solutions. Thank you also goes to those supporters who have donated vouchers for our players or club incentives this season. Jim Kidd Sports (Joondalup), Hog's Breath Café, Dome Coffee Shop, Wangara Kia and Suzuki, Chicken Treat Kingsley, and Sing-A-Rama Joondalup.

In closing, I'd like to say thank you to everyone who has made season 2010/2011 both an enjoyable and successful one. This goes for players, sponsors, partners, families and supporters alike. We all play a part in the success of this great community club, and as current contributors we are all making club history, at the same time we are building its future together. I hope to see each and every one of you back next season! Thank you.

**Shane Healey**  
**President**

## **Treasurer's Statement**

This season ended up being a challenging one from a financial point of view due to some long term debts incurred by the City of Joondalup, more info at the AGM. Even given these sorts of costs the club is in a very strong financial position going into the 2011/2012 season. We had a very successful year behind the bar and a new till allowed us to more closely monitor our ins and outs. Thank you to the captains for collecting fees etc. efficiently.

Socially we performed very well due to some great turn outs and brilliant organisation by Chris Bennett and his assorted minions ;-)

### **Income**

### **Expenditure**

### **Account Balance**

*Please note that these figures are representative only and there are outstanding figures to be settled, consult with the Treasurers report at the Annual General Meeting for more information.*

The Committee members have done an excellent job this year once again. Peter, once again thanks for putting together all of our stats, we are the envy of the association when it comes to our info.

Deb, Elizabeth and Georgia, the time stealer is over for another year I do appreciate the sacrifice and next year I promise to give you a little more of my time.

**Matthew Rowston**  
**Treasurer**

## **Coach's Report**

At the start of the season, way back in August, I used the saying "you don't go back to back being slack" at our first preseason training season. If someone was to say we would have a One Day premiership, five teams in the finals and three in the grand final I would be very pleased. Our three top teams finished minor premiers which I believe hasn't happened before at the club. So we did something right this year, must have been the extra fielding and sprints! Well done to everyone at the club who helped contribute to our on field success this year and I think we can safely say that we didn't suffer a premiership hangover and were not slack.

There were some outstanding individual performances throughout the season. In A Grade Lachlan Chilman and Gareth Wright again proved they are classy players each scoring more than 400 plus runs. Brad Sutton dominated again with the ball taking 28 wickets. It was a battle for the most runs at the club between Matt Veitch and Nathan Bennett. It will be decided in the grand final. Both players had very good seasons with the bat. Younger players at the club continued to do well. Jacob Copley's 8/12 was a club record and in the same game Cameron MacKinnon smashed 179 with 11 sixes. Great stuff from two young blokes who will do very well for this club in years to come. Also congratulations to Wayne Apps who won the Jones-Bridges Medal. He had a great year dominating with the bat and ball. Well done Appsy.

I would like to take this opportunity to thank all of the captains for their hard work throughout the year. I hope that all the player recognise and appreciate the hard work and dedication they put in week in week out throughout the year. You have all conducted yourselves extremely well and should be proud of how your sides performed. Well done Skippers!

I would also like to thank the committee for their hard and tireless work. I work also like to especially thank President Shane Healey. He has done a great job his year taking over from Gav which was a hard task and I think Shane has done an excellent job. Like the captains the president works extremely hard throughout the year attending meetings, tribunal hearings, dealing with emails and the associated work that comes with that.

Once again, no matter the outcome of the weekends Grand Finals I believe we have had a successful season both on and off the field and it is a credit to all those involved with the club. Well done KWCC on a great season.

**Chris Jones**  
**Club Coach**

## 2010/2011 - Awards Summary

### Club Awards

H Grade	Cr. Bennett	16 Votes

## **A Grade Captain's Report**

This season saw a change at the top with a new president (Heals), vice president (Kent) and some new faces on the committee. I would like to thank the new committee for allowing me to again captain the A grade side and congratulate them on a job well done.

It's hard to imagine the club having a more successful season than we did the last one, but that is exactly what we did. To have our top three grades finish on top of the ladder and G and H grade finish second is a tremendous effort. Unfortunately E grade missed out on the finals but they put in a great effort and finished 5th, which is not a bad since their side was constantly chopping and changing.

Although the G and H grade guys missed out on the grand final they have both had great seasons and I think we have found some really good kids who will be valuable for us in the coming seasons if they stay with us.

Congratulations to the top 3 grades on making the grand final. It is a credit to all players involved at the club that they are willing to put in the hard work to make our club one of the strongest in the NSCCA.

Backing up from last season's premiership was always going to be tough and that was the challenge for A grade this season. We managed to do so by finishing on top of the ladder, winning the one-day final and making another grand final.

Our start to the season wasn't great dropping the first two games but we managed to string three wins together before dropping the last two before Christmas. We went into the new year break at three wins and four losses with a lot of hard work to do to just make the finals.

The new year brought about a new attitude and we went through to the finals undefeated (with a tie in round 14). Every game after the break we were in a position where we could have easily lost the game but to the boys credit they always found something extra to get us over the line.

I think one of the main reasons for this is that we are all good mates and we enjoy playing cricket together and that does help performances out on the field.

It is a credit to all the guys who played in A grade this season. Each and every one of them made important and at times match winning

contributions throughout the season, which made my job as captain a lot easier.

To all the wives, girlfriends and parents who came down and supported us throughout the season, thank you very much it is greatly appreciated.

Again congratulations to everyone on a great season.

Go the KINGS

**Brad Sutton**  
**A Grade Captain**

## A Grade Player Profiles

**Gareth Wright** – Another good season for Banga, often getting us to off to a solid start. Struggled in the middle part of the season with all the one-day games but a strong finish to the 2-day games saw him score just under 400 runs. Congratulations on your first 100 for the club.

**Tim Anderson** – Not Tim's best season with the bat although he did play some valuable innings at the start of the season and a very good 76 in the semi final when we needed it. Took on the vice captains role and led the team to the one day premiership. Hopefully will bounce back to his best next season.

**Lachlan Chilman** – A very determined cricketer who doesn't like losing, Lachie had a great season with bat and ball. He scored over 400 runs and including his first hundred for the club in round 3 and backed it up with another one in round 5. Also took over 25 wickets and often bowled without luck (just ask him).

**Chris Jones** – Chris sets very high standards for himself and probably sees this as not his best season. However he played a crucial role in our success by building partnerships while still contributing himself. Scored 3 fifty's, none more important than the 56 no in the one day final. Was brilliant in the field with some great catches in the slips.

**Brendan Bridges** – Brendan struggled a bit this season, but still managed to play his role in the side. Played some useful innings in the middle order and was often involved in partnerships that won us games after the break like the one-day final.

**Dan Sadik** – Dan produced a solid season without being spectacular. Scored over 200 runs and took just under 20 wickets. Went back to the middle order after struggling opening and produced some handy knocks for us. His leg spin bowling has become a big plus and was very good in the field.

**Matt Green** – Disappointing season from Matt. Missed a few games due to betting commitments and an ouchy finger. Has a lot of potential with the bat but needs to be more committed and not rely on natural ability. Was very good with the ball and as always exceptional in the field.

**Shane Healey** – Started off slowly with the gloves and bat, but bounced back to his best. His stats don't show it until rd 13 & 14 but batted very well after Christmas and was at the crease when the

winning runs were hit in 4 games (he now likes to be referred to as ICEMAN).

**Basil Piliotis** – Started the season on fire with 16 wickets in the first 6 games, but lost a bit of confidence towards the end of the season. This saw him go down to B's for the finals, where he bounced back with a 5 for in the semi final. Played some very handy innings that saw us over the line in a few close games.

**Kent Burton** – At the start of the season Kent wasn't in the frame for A grade selection, come the season's end he is unlucky to have lost his spot. Although his stats don't show it he always performed the job that was asked of him. Was unlucky when batting, he constantly ran out of partners.

**Dave Stevens** – Missed parts of the season due to work commitments. When he did play it wasn't long until he forced his way into A's. Had an unfortunate incident over the double-header weekend just as he was cementing his spot in A's. Bowled some great spells for us and a very handy lower order batter.

**Josh Bowler** – Missed most of the season due to an off-season injury. Was always around the team while injured and a very welcome return to the side just before finals. Took 3 wickets first game back and 4 in the semi-final. Hopefully Josh manages to play all of next season.

I would also like to thank the following players for their contribution to A grade this season.

**Steve Jones** (who made his A grade debut)  
**Chris Bennett**  
**Matt Veitch**

## **B Grade Captain's Report**

Season 2010/2011 held plenty of expectations for the "B" Grade crew. Last year's success led to us wanting more this season. I had huge shoes to fill taking over the captaincy from Chris Bennett. I have enjoyed the job and really liked the way the boys have gone about their work making my job easier.

Congratulations to all grades on a great season. Well done to 5 sides who made finals and to the three top sides for making grand finals.

I would like to take this chance to thank Shane and the committee for their support throughout the season and to Chris Bennett and Matt Veitch for their support with the captaincy, especially when I have been away. The task of back to back premierships was never going to be an easy one. The hard work on the training track and the mental state to stay competitive is always hard once you have tasted success. The boys to their credit came out hungry in the pre season and the rewards started to show towards the end of the season.

Round one gave us a good wakeup call that teams were out to beat us. A convincing loss to open our season was not the way we would have liked to start things off. Our form before the Christmas break was patchy to say the least, but as good sides do we found ways to win. Ben Greens sparkling start to the season and Matt Veitch hitting consistent runs played a big part to why we were in the top four at the Christmas break.

It was fantastic to see Alan "The fossil" Jones return to the seconds for another season. The emerging talents of Mitch Apps and Matt "Faruke" Connoughton have continued to grow the strength of our club and "A" Grade games are not far away for both players.

After the Christmas break things really started to get rolling for the Seconds with a depth of bowling and batting making it hard to get a spot in the line up for many players. Performance was the key and we had our swagger back and opposition teams felt it! Our end to the season saw us roar to the top of the ladder to claim the Minor Premiership. Well done boys.

Our depth of players was the key to our success and with everyone finding form at the business end of the season we were looking good for the finals. I must say that it was disappointing to lose Ben Green and Luke Finnie towards the end of the season with injuries but the boys were very much part of our success this season.

We missed the one day final by .2 of a percentage point which made us even more determined to make the four day grand final.

Our semi Final was to be played against Warwick. We went into the game very confident as we have had a good record against them in the past two years. We were able to score 180 batting first and defended the total well. Matt Connoughton and Bazil Pilotis were on fire with the ball taking 3 and 5 respectively. Matt Veitch and Matt Rowston did the damage with the bat both scoring in the Forty's.

The four day final was to be played at home against Greenwood. A real grudge match between two sides that leave it all out on the field. The boys always enjoy playing against them especially in finals. The result at this point is unknown but by the time you read this you will know where it stands. Hopefully we can bring another premiership home for the mighty KINGS!

Congratulations to the team for what has been a fantastic year and thanks for all the support you gave me as captain. Stick around as a group because I believe there is a great crop of players ready to step it up to "A" Grade in the coming seasons.

**Drew Templar**  
**B Grade Captain**

## B Grade Player Profiles

**Matt "Booney" Veitch:** Has become a cult hero in the seconds over the past two seasons with his stocky frame pumping out mass amounts of runs. Leads the team in runs scored and deserves it with his preparation for games being second to none. Grow a moe and move to Tassie is the next step! "A" Grade written all over him for next season.

**Lachlan "Lobbo" Delaney:** Has performed well in patches. His fielding antics before games have won him no supporters but seems to get the job done when its game time! I'm told he saw lights one night before the Warwick game. I don't believe they were heavenly sent. A score of 90 in a one day match showed us his true potential and a great ability to hit the ball when performing well. Big improver for next season.

**Nathan "Pubes" Dubrich:** Keeper this season and did a pretty good job. His batting form suffered early in the season but looked a lot better at the business end of the season. Has the ability to have a big impact in games if he can get off the mark! Will always be a solid contributor to the fines jar with his never ending cricket fashion disasters!

**Mitch "Can't find the birds" Apps:** Often seen in the field looking for birds or planes. The concentration levels in the field need some work but certainly not when he is batting. Stamp "A" Grade on this kids head. Has the potential to be great. Some work on his concentration and he will be a ripper for the club. Hit a great knock against Sorrento for a 50 being his high light.

**Chris "A grade" Bennett:** Gave up the captaincy to chase his dreams of A Grade. And Why not? He produced a great season last year and has shown in patches this year that he still has plenty of runs in him. Still a real leader in the team, with as great cricket brain. Looks his best when in an aggressive frame of mind! Still a Big "A" Grade potential.

**Drew "Gone missing" Templar:** Spent vast amounts of time this season missing from the team. You could say he led from a far! First season as captain produced some good results; however a coin toss record of 1 win 8 losses didn't help his team. Produced some good results with the bat getting his side over the line on 4 occasions. Will go around again with the boys if his body holds up!

**Matt "Cramps" Rowston:** Always handy to have in the side. The big Rowey loves the big stage and finals time is his favourite. Produce many knock to set up wins and finish games off. His 49 in the semi final was a highlight. Always happy and gives the side a touch of experience and class. Could play anywhere next season it'll be his choice!

**Matt "AN DER SON!" Anderson:** Has had a great season with both the ball and the bat. His consistent performances in "B" grade were a highlight. He found himself back in the "D" grade after Christmas but fought his way back to "b" grade to earn a re-selection for the Grand Final. Always gives his best.

**Luke "sponge" Finnie:** Wickets follow this guy around. He aims at the stumps and produces big bags of wickets. One of the teams leading wicket takers this season. An injury just before finals cost him a spot in the B grade grand final team. Has the potential to play a lot of "a" grade cricket but needs a big preseason to get his body right! Potential written all over him! Time to deliver next season!

**Alan "the fox" Jones:** Still takes wickets in the truck load. Retiring this season is the rumour going around the "b" grade circle. I think he will go on! Look out for the tribute match if he does retire! Not too many dummy spits this season maybe he has finally grown up! Always fun to have on the team and gives plenty to the younger players.

**Matt "Faruke" Connaughton:** Has not taken as many wickets this year but has been unlucky. Teams try to see him off and tends not to go for many runs. Rates his batting which is great as not too many other do! Will play "A" Grade next season and will take wickets. Good bowler and fielder and likes to give opposition teams plenty of stick.

**Steve "Steamo" Jones:** Has played A, B, and C grade this year. Has bowled well in all. Has not had the luck he deserves when he has bowled well. Will hit back next season because he works harder than most at training. Plenty of ability and not the last we will see of him in the A and B grades.

**Kent "Roo" Burton:** Spent most of the season in the A Grade. Produced some really good spells in the finals for the B Grade crew. Capable of tying up batsmen and bowling in partnerships. Will play more A grade in the coming seasons. Look out for the BIG ROO!

**Ben "Slim" Green:** Has lost plenty of weight this season. The problem is he didn't have any weight to lose. Was one of our best early in the season with the ball and produced some great knocks with the bat. He has had a bad run with illness after Christmas but will feature again next season!

## **D Grade Captain's Report**

Another season comes to an end at KWCC, and again the club has continued to grow on and off the field. I'd firstly like to thank Shane Healey and his committee for all the work they've put in throughout the year, our on field success would not be possible without these voluntary contributions.

Congratulations to the top 3 grades all achieving the minor premiership and G & H grade both earning themselves a home (sort of) final with a top 2 finish. The fact we can perform at both the high and low end of the grades shows the depth this club has, and means you won't just be a walk up start in a higher grade without some hard work.

This season we were back to 'D' grade after the controversial new grade structure, and we started the season slowly as a side, only just holding our place in the four at the Christmas break. For a side with as much talent as we had this was simply not good enough. This all changed post Christmas and the efforts and performances of the boys to come out and win 8 (including a semi-final) on the trot and claim the minor premiership was fantastic. The thing which epitomized the side this season was the evenness of performances throughout. Last season our batting was overly reliant on Chris 'The Juice' Rae making a big score. This season it was great to see the likes of Adam Sutton, Nathan Bennett, Josh Keenan & Gavin Connaughton consistently making runs.

As per usual Kingsley's 3rds tend to find the emergence of some talented young cricketers who will grow into A & B grade players in years to come. Jacob Copley's ability with ball in hand is clear for everyone to see as he steams in on Tuesday & Thursday nights at training and it was only a matter of time until he put it altogether on game day as he did against North Beach taking a club record 8/11. Had this been a 2 day game and he been able to bowl more than his allotted 8 overs I have no doubt Jacob would have taken the complete 10. Jacob along with Mitch Apps, Ben Green, Ryan Atkinson & the return of the Macdaddy ensure the future is bright at KWCC.

This season, however could be the season remembered for the 're-emergence' of some of the older brigade. The performances of Adam Sutton were tremendous throughout the season as he proved that he is still capable at playing at this level. Suttsy, Gav and the new bloke at the club Gary Evans all played a huge role in getting this side into a grand final. From a personal point of view it was very disappointing to see Gary finally claw his way back into the side after doing his hamstring in round 7, then after some personal sacrifices to make himself available for the big dance, twing his hamstring in the final training session. I'm sure Gary will be back next season even hungrier.

Finally I'd like to thank Gavin Connaughton for captaining the side in round 3 in my absence, and also to Adam Sutton and Chris Rae for there assistance throughout the season.

I'll leave you with some of the highlights of our season:

- 6/307 off 56 overs v Landsdale in round 2
- Suttsy's 46 & 7/28 in the same game
- Suttsy's 50 & 5/11 v Greenwood in round 4
- Lobbo's 81\* & 47\* v North Beach in round 5
- Kankle's 76 & 34 against a very strong Balga side in round 6
- Keeno's 5 consecutive scores of 30+
- Gav's 82\* v Kingsway in round 9
- Macdaddy's 159\* v North Beach in round 10
- Jacob Copley's 8/11 in the same game
- The team effort v Balga in round 11, inparticular Ryan Atkinson & Chris Sell's bowling spell to pull us back into the game against a very strong Balga side
- Ando's 7/36 v Warwick in round 12
- Ando's 5/15 v Wanneroo in round 13
- Our outright demolition job of our good mates over at Greenwood to clinch the minor premiership in round 14
- Ando (75\*) & Juice's partnership in the semi-final to get us out of a big hole at 5/66
- 'That catch'. Juice's screamer to dismiss Sheedy in the semi-final. Poetry in motion.

**Terry Leighton**  
**D Grade Captain**

## D Grade Player Profiles

### **Adam 'The better' Sutton**

Suttsy started the season with a bang with hauls of 5 & 7 wickets inside the first 4 rounds. He found getting the pill a bit more difficult after that, but never once complained about his lack of bowling opportunities to the captain! Our top order rock with the bat, Suttsy was the most consistent player throughout the season. Stay warm mate, that new ball can't be far away.

### **Jacob 'J-Wow' Copley**

Jacob was a player I wanted to see play a full season in D grade after his dominant performances in the lower grades last season. One of the most talented youngsters Kingsley has seen in a long time, Jacob has the potential to be playing at the highest level in no time. His club record figures of 8/11 showed what he is capable of when he gets it all right. Easily the best performed at the grand final arvo tea.

### **Matt 'Ando' Anderson**

We were very lucky to play as many games of cricket with this bloke as we did in D grade this season. Looked a class above with both the bat and the ball and fully deserved his call up to the B grade side for the grand final. Another who should be aiming to play consistent A grade cricket in years to come though does need to work on his 5 fa celebrations. A little bit gay Ando.

### **Matt 'On the Tikki' Carstens**

It's not often I'm happy about a South African joining the cricket club, but this was one of those rare exceptions. Matty only played the first half of the season after contracting malaria in Zimbabwe, but his enthusiasm and voice stuck with us for the season. Being a talented batsmen it would be great to see Matty back down at KWCC next season (especially if he learnt how to catch).

### **Nathan 'Ummmmm' Bennett**

Reduced his Kanking by a good 20% this season which helped in this being his most prolific season with the bat. Batted with a lot more controlled aggression than in seasons gone past, which looked to suit him down to the ground. With the cleanness he struck the ball throughout the season, a consistent gig in a higher grade will not be far away at all. Ummmmm that's handy.

### **Josh 'Screech' Keenan**

Played a surprising amount of D grade games this season and really relished the opportunity to be a top order batsmen. Averaged over 25, constantly being our middle order rock. A great team man, Josh is always

one of the more vocal players on the field and was a great acquisition for our fines tin.

### **Gavin 'The Little Master' Connaughton**

After missing the first game, Gav got his season of to a flyer with scores of 57, 30, 45, & 26 before finishing with an average of 34. The little master fully deserved his batting award, though will have to endure his fair share of Kanking because of it. 12 out of 16 games - not bad Gav.

### **John Cameron 'Macdaddy' Mackinnon**

Unable to get a game at Wanneroo because of the no mullets & meatheads policy, we were very grateful to have the daddy back at KWCC. Showed he has gone from passenger to driver with a brutal 159\* against North Beach, which ultimately earned him a gig in the A grade one day final side. A player KWCC very much want to keep away from Wanneroo.

### **Chris 'The Juice' Rae**

Not the Juice's most prolific season with the bat, but still a consistent one. Despite not making the big score he craved all season, his semi-final partnership with Ando was the difference between us playing in a GF and not. Losing the gloves to Keeno was a blessing in disguise for the team as I'm sure we'll all be telling our grandchildren about 'that catch' to dismiss a rampant Sheedy in the semi-final.

### **Steve 'I am so good looking' Jones**

Started the season in 'A' grade before fast bowlers depression (FBD) kicked in. Surprisingly made his way down to us in D's and we were grateful to have the big game player with us. Is still very capable with the bat, with his 32\* in the semi-final being instrumental in setting a good score. I highly doubt we will see anyone as beautiful as this playing D grade cricket in the near future.

### **Ryan 'Rhino' Atkinson**

Young quick who stepped his game up to another level this season. Finished with his best haul of wickets at the club, and was extremely unlucky to miss out on the finals side with a back strain. Another player the club will be desperately hoping to retain, is well capable of playing some B grade cricket next season.

### **Chris 'Ella Bache' Sell**

Highly talented Sri Lankan pace bowler who struggled for consistency and had little luck throughout the season. When bowling well he is still one of the hardest bowlers at the club to face with his pace and bounce. Perhaps more time in the nets and less time modelling his new line of Ella Bache sunscreen's might be the key to rediscover that form. A great team man.

### **Gary 'twing' Evans**

Gazza was a great find for KWCC this season. His ability to swing the ball both ways at good pace culminated in him starting the season in a very strong B grade side. Gary was the hard luck story of the finals series after AGAIN pulling his hamstring in the final training session before the GF. Get those hammies sorted and I'm sure there will be another GF just around the corner.

A special thanks to all the other guys who played D grade throughout the season.

## **E Grade Captain's Report**

The loss of Jeff Bridges, Ben Lichtenstein and Brad Pimlott for the 2010/11 season really had an impact on the team. However, it meant the younger brigade had the opportunity to step up including "The Wild Thing" and Dylan. The most satisfying thing as captain this year was seeing first hand the development of these players.

Fourth grade never really hit their straps to make a real charge to the top of the table, however it was pleasing to finish 5th place with the team that we could fielded. Batting was the biggest issue for us with several games not even being able to win when bowling the opposition out for under 120.

I would like to make a special mention to Geoff Ironmonger who has been a great performer in E Grade for many years. All the best in retirement mate, playing alongside you has been a great privilege.

It has been great being captain for the past two years with a 50% winning record, however I will be handing over the reins next year. I am thankful to the club for the opportunity and have learnt another side of the game.

**Doug Ruddle**  
**E Grade Captain**

## E Grade Player Profiles

**Dean Piliotis-** Dean finally showed his potential with the bat with a number of 50's throughout the year and even chipped in with a handy 3 wickets with the ball in one game. The talent is there, however the next step is to be more consistent and really lead the club into the future.

- Fine of the year- Buying a wrap from the servo when the exact same wrap had been provided by the opposition.

**Alex "The Wild Thing" Underwood-** What a story! Always had the pace, however not always the accuracy (hence the name) in previous years. This season took his game to the next level and took plenty of wickets with the captain having the confidence in giving him the new ball. A future A Grade player and the most improved player in the club.

- Fine of the year- Car screeching after a game at Barridale and not knowing until the Tuesday training session.

**Kieran Taylor-** Great average with the ball and has a good technique with the bat. Kieran is a critical player in the side at such a young age, but needs to be producing more scores. Has the ability to move up the grades in the future as his confidence increases.

- Fine of the year- "Taylor Tax" was named in his honour for those who whinge after bad decisions from the umpire. This all started from Gill firing him LBW when the ball hit way outside the line of the wickets.

**Brendan Morton-** A great leader in the team and has been the biggest influence in my 2 years as captain. Reliable with the bat at the top of the order.

**Shivdeep Gill-** Played some entertaining innings with the bat late in the order and has the ability to be a really good spin bowler for club. One of the hardest workers at training, bowling most sessions when the rest of us are having a beer.

- Fine of the year- What can I say? When you roll up to a game in Northbridge, rather than Ballajura. I say fine Gill, \$20 mate.

**Pup-** Played one decent shot for year with the bat; however it was fielded..... Usually a reliable bowler that can keep it tight, however it is Pup's fielding that really made him stand out. Adjudged as the best fielder in the side for the year with some great catches, pup is a real team man.

- Fine of the year- When we were 5-99 in round 2 made a bet that he would eat his shoe if we got to 300, unfortunately we made 295 but it would have been a sight. A consistent fine contributor throughout the season.

**Bill Bridges-** A great legend of the club and made some decent scores late

in the season with the bat. A solid fielder at slips throughout the year and always provided guidance to me as captain. Most runs in the team.

**Mike Kenny**- Made a great 79 early in the season, but needs to produce more of these scores. One of the cleanest hitters in the club when he has got his tail up.

- Fine of the year- Deciding to kick the soccer ball with Gill during the Ballajura game.

**Peter Keron**- Pistol had some good performances early in the season with bat and ball, but unfortunately got injured. He is always looking at ways to improve his game.

- Fine of the year- Pete played limited games but donated the most fines. Needs some new shoes for next season one suggests.

**Dylan Reilly**- One of the new guys in the team and performed well against one of the best bowling attacks in the grade. Has the potential to be a good player in the higher grades for the future.

- Fine of the year- Fielding on the boundary and the ball rolling through his legs for four runs, not once but twice.

**Leigh Clinch**- Good with the gloves and not bad at all with the bat, could play a crucial role in E grade next year.

**Chris Sell**- Played the majority of the season with D Grade, but really shined when he came down on occasions. Has significant heat with the ball and could be a really handy batter late in the order.

## **G Grade Captain's Report**

I started this season with the intention of just playing H Grade with all the other geriatrics. I ended up taking on the job of Captaining our fifth team when it was offered to me. I jumped at the chance to be involved with the development of an ever increasing influx of youngsters coming out of juniors to ensure our playing talent was progressing towards the higher grades.

So, it was with a group of young players, most of which I had only seen at training, G Grade took to the field in round 1. At the end of that first game, I couldn't believe my luck, these boys were brimming with talent, we had smashed JK (the eventual minor premier). As the season wore on, this side, with a few minor adjustments, continued to play a positive and entertaining brand of cricket resulting in our finish of second place after the qualifying games. I am satisfied that this Clubs playing future is bright.

Thanks for the cameo appearances in G's by Adam Hayton a high calibre player who returned to the UK at Christmas and didn't come back, James Rowlands, Dean Piliotis, Dylan Reilly, Pete Keron, Mike Kenny, Dale Speak, Cal Walpole, Anton Centenic, Rhys Ironmonger, Darren Thorn, all of whom made significant contributions to our games.

I need to make special mention to thank Ian Graham, who often got stuck with the thankless job of umpiring and Adrian Graff for ensuring that our scorebook was right as well as keeping our bowlers focused during play. I couldn't manage without your contributions.

I wish all the very best to A Grade (1st), B Grade (1st), D Grade (1st), G Grade (2nd) & H Grade (2nd) for their assault on the finals. Congratulations on a fine season by Dougie and his game E Graders who just missed out.

Look forward to suiting up again next season

**David Jones**  
**G Grade Captain**

## G Grade Player Profiles

**Adrian GRAFF** – Consistent and determined character who wanted the ball in his hands when the game was up for grabs. Outstanding in the field this season and handy with the bat.

**Ian GRAHAM** – Regular new ball bowler who has been in really good form, takes a lot of top order wickets. A couple of handy double figure knocks batting in the tail.

**Mitch SUMMERFIELD** – Batted all year at either three or four, gives the ball a fierce whack, unfortunately, although consistent, couldn't get past the thirties. Took some ripping catches at first slip and the occasional wicket from limited opportunities.

**Scott SUMMERFIELD** – Classy 16 year old youngster does everything really well. Hopefully he will give Districts the flick but continue to play at this Club.

**Tom MCLOUGHLIN** – Probably the most improved player in the Club, bowled some fantastic spells, outstanding in the field and for a bloke who won last seasons duck award, batted with great determination and purpose to finish the home and aways without any noughts next to his name and plenty of handy scores.

**Stuart COUNSEL** – Another 16 year old who reluctantly took on the wicket keeping job mid season and showed plenty of guts. A really good contributor with the bat and took some wickets when given the chance to bowl.

**Jason GREGOR** – Is just great to have around the Club, always at training, supports all social functions and gives his all when out on the park. Just needs to display a little more confidence in himself. Has plenty of ability.

**Nick MORRIS** – Left arm quick and a hard hitting batsman with a bright future. One of these days he is going to turn up to a game with more than two minutes to spare.

**Paul KELLY** – Pocket rocket, bowls with plenty of heat and shows promise with the bat. Another kid who could be anything once he is confident enough to take the game on.

**Alex WOOD** – Played the last four qualifying games in G and gradually worked up his fitness, form and pace to dominate by the last game. Still only a teenager and needs to be patient with his development.

**Alex UNDERWOOD** – “The wild thing” Another much improved quick bowler. Bigger body this year meant more pace and control, this was evident in his figures showing more wickets at an economical rate. Significant improvements made with bat and fielding. Always gives his all.

**Dave SCHULTINK** – What can you say, left handed baseball slogger. Held down the opening batting position by seasons end and contributed runs regularly. Assures me that he can make a big score come finals. Much improved in the field.

## H Grade Captain's Report

My thanks to Shane and the committee for the opportunity to look after this group of old blokes.

Our season started with a win against Joondalup Kinross who usually field competitive sides in all grades so we thought we could maybe have some success this season.

Round two quickly showed the divide there would be between the best and the rest, and I predicted that we would need to have a look at the rest as we had probably played a team (Sorrento Duncraig) which would go through the season undefeated.

As the season went on it became very obvious that there was a huge divide between the top five or six and the last two and losses to Warwick seemed to determine that we were probably fifth in the pecking order. However with two wins against Wanneroo, A couple of outright wins against the bottom two saw us knock Warwick out of contention and then a win against the top side in the last round elevated us to second, giving us a home game in the semi, without a home to play on.

Our effort in keeping Sorrento Duncraig to 190 in the semi was commendable, however our batting let us down and that was it. If we were able to defeat them, I have no doubt we would have brought home a premiership.

A few efforts during the season deserve mention.

The Kat achieving milestones all over the place, 100 runs, 50 wickets and 100 games.

Trippy's emergence as a damaging batsman.

Crouchy's 171 (19 sixes and 10 fours)

Mongers coming back for a cameo for Kat's 100th.

John taking all sorts of rubbishing while unable to respond while we waited for the ambulance.

The most pleasing thing about being involved with this group was the camaraderie and spirit shown throughout the season. Anybody who didn't enjoy playing with these guys should look somewhere else.

Hopefully the youngsters who had the opportunity/misfortune to play with us enjoyed themselves and appreciate that we play cricket the way it was meant to be.

The club has done well to allow a bunch of old blokes to continue playing the way they can enjoy the game and company. Hopefully we are able to

continue with an old blokes side next season. It is a good way to keep the oldies around the club and I would love to be involved in any way I can next season, hopefully with all the oldies from this season and a couple of others who should be where they can just enjoy it.

**Peter Duffy**  
**H Grade Captain**

## H Grade Player Profiles

**Wayne Apps** – The rock on which we built our game. Jones - Bridges medallist (still owes the captain a beer). Went missing at the most inopportune times. Has same problem as Big Nige, sometimes it is not appropriate to go to family commitments when there is a cricket match on.

**Larry Burbage (Floyd [look it up])** - Finished off the season in great form after captain let him know the Kat had better season batting average than he.

**Craig (Stumpcam) Bennett** – Nothing has changed (except the price of beer) a great job as team barman.

**John Davey** – Pretty good season with a couple of great bowling spells. Could not catch measles off Pete McCaw. Has some sort of weird fascination with black male genitalia. Picked up a pretty handy recruit though.

**John Finnie** – A club stalwart (almost slave) made strong comeback after ticker was questioned.

**Owen (the Kat) Davies** – The guy everybody loves playing with. One the hardest batsman to dismiss in the whole of H Grade. Did he mention he's off to Vietnam.

**Callam Walpole** – Wouldn't answer his phone when I rang so had to get G Grade Captain to ring and tell him to be at Chichester (Didn't mention he was playing H). Must have enjoyed it because became one of our regular youngsters. Has potential to be a damaging high grade bowler and can bat.

**Anton Cetenich** – Another of our regular youngsters. Will play higher in coming seasons.

**Pete McCaw** – Played when needed and was instrumental in a couple of significant results. Thankfully had stamina to umpire a footy match and bowl twelve overs straight after driving straight to semi final after Nigel was not allowed to play.

**Nigel (more than token) Walrond** – Showed glimpses of potential when he was allowed to play. Time to be more assertive at home. A good bloke who accepted that we will give it to you no matter how big you are. I still think some movement is appropriate when the ball goes between first slip and keeper. Thanks for coming down and fielding while we waited for your replacement in semi.

The rest – A great bunch of blokes who hopefully have enjoyed the season as much as I. You all come back now.
