## ***President's Report***

When I attended our 2006 AGM, I had no idea that I would end up seeing out the season as President. I went to the AGM with no intentions, but after the original committee was nominated and elected, the position of Vice President remained vacant. I mentioned to Duff a few days later that I would put my hand up if the position was still vacant and there were no other members wishing to take it on.

Once appointed and involved, it seemed that we as a committee were confronted with a number of matters both serious and sensitive and we seemed in constant damage control. Whether these issues were handled in an appropriate manner is still the subject of debate, but I can assure the members that the actions and decisions made by the committee were done genuinely and with the best interests of the Club at heart.

Over the Christmas break Duff resigned the Presidency and I was asked to step up as caretaker President for the remainder of the season. Not having much of a handle on how the Club was run I was reliant on the rest of the Committee to help me through. Without the enormous assistance from the Committee in particular John and Josh Finnie and Faz, things could have ended up a bit messy. So a special thanks to these people. The fallout from this disjointed management of the Club resulted in some of the social activities planned for this season being shelved but despite this our general structure and finances remain solid.

As this season draws to a close, I look back on 2006/07 believing that after a difficult year, the season finishes with an optimistic view to season 2007/08. As AJ pointed out recently, we have 31 odd players throughout our club who are under 21 years of age. As long as we can keep these lads here and welcome another crop of youngsters from the juniors we can look forward to regaining our powerful presence in the NMCCA. Also I would ask that all existing members, as well as returning next season, be on the alert for any quality players who we may be able to recruit.

On field we struggled to get six full teams on the park each week. Unfortunately this meant that the Umpires One Day team had to forfeit several fixtures and D and G grades also weren't able to field competitive teams week in and week out. However, B and C grades finished up OK in their grades and A grade made the finals. Ironically all our grades bar A's competed in finals last year, a clear indication that the youngsters pushing up to A's had an impact. With a grade adjustment for our lower grades next season, I expect we will once again be the power club in this Association.

One of the most significant contributions to the playing strength of this Club is the coaching and guidance given to all players by Alan Jones. Over the last few seasons AJ has had a hand in the development aspect of playing members and his vision of working towards an A Grade premiership looks not too far away from fruition. Hopefully AJ will remain involved in the Club and maintain a coaching presence.

Remember that a Club's top team is the flagship of any Club and at the time of writing this report, our A's are about to embark on their finals campaign, maybe this is the year. Good luck.

**Once again I thank Players, Committee and of course the generosity of our Sponsors who make the season an enjoyable one for us all. What better way to spend the summer.**

## ***Coaches Report***

Well what a season! Who would have thought it would turn out as it did? All the early pre-season signs were good. After being so dominant in most of our grades last year, it was a shock, when, week after a week, we came home with very few wins. Why did we do so poorly?

Firstly, two teams went up a grade from last season and therefore a number of times these grades were playing top teams from other clubs, which is always hard to counter.

Secondly, we lost approximately 25 players from the previous season. Most of these players were the reason we did so well last season. At least a team of these were quality players from A Grade to C Grade. We did not anticipate such a big loss of talent. By the end of the season, a further 9 players (who started the first round of the season) were unavailable for the last round. It is a wonder we finished the season with any teams at all. Once a club loses so many players, as we did, problems seem to compound themselves.

Thirdly, the unavailability of several top players in any given round certainly didn't help. We tend to have this every year, but in a bad season, this problem is accentuated. This led to Captains being promoted and this, in turn weakened the stability of the teams and the Club. The Captains, who are the driving force behind their team and the ones with the passion for their team, were no longer there. At certain times at training, for instance, no one knew who should be taking the fielding drills. I found this disconcerting and something the selection committee must consider next year. The Captains must stay with their team throughout the season, no matter what.

Finally, we had 25 new players who we knew very little about. Sometimes, this takes time, to assess their ability and fit them effectively within a team. With so many players being unavailable at certain times throughout the season, the new players were often placed in teams higher than they should have been.

My congratulations to the lower grade captains who persevered with under-manned teams week after week. I also applaud those players who went through the pain of playing in grades a little higher than their ability and were out of their comfort zone. This is not easy.

Several positive points come out of a poor season.

- We had many players who had Captaincy thrust upon them. I was especially impressed with Chris Bennett, Kent Burton and in particular Peter McCaw. They should all consider putting up their hand to do it permanently next season.
- Our Club has 37 players on its players list, who are under 21 years of age. This is great for the future. I'm sure no other club could boast this.
- By playing in higher grades, these younger players have gained valuable experience. Next time they play in that grade it won't be such a daunting task.
- Many of these players were playing at a senior level for the first time and they pulled through successfully in very hard year. If they handled this year, and return to play next season, which I hope they do, it will be a great deal easier.
- The performances of the A Grade team making the finals, and the 20/20 team, were certainly our shining lights. There are some very promising players coming through and cementing their place in the top two sides. These players were playing in our E and G Grade teams a few years ago. The development of our younger players is very encouraging, taking the continued pressure off our much older players to perform week after week.
- What I did notice when I gave out my player summaries to all the under 21's was that we have many talented all rounders. I look forward to watching for their results and successes in the next few seasons.
- Although training was not as well attended as previous years, we still had 25 – 35 train most nights. It was encouraging for me to see those who I had been working with and

giving pointers to, continue to listen and work on their game. There is a light at the end of the tunnel!!!

Individual Highlights:

- Daniel Sadik's continual rise as an A Grade player
- Jarred Heasman's developing speed
- Brendon Bridges' hat trick and his haul of wickets week after week.
- Brendon Morton's 100

As you can see, there weren't many team or individual highlights .So my advice to the committee would be to form a sub committee now, for the recruitment of next year's players, otherwise there will be even more problems and pain next season.

Once again thanks to the committee for the opportunity to coach. It certainly has been a challenge. I look forward to watching the player's progress and development next year.

Finally, it goes without saying, a special thankyou to my family, especially my wife, Roberta, for enduring yet another cricket season. This one was not easy!

Enjoy the break and let's re-group. Come back stronger next season.

**Start working on a plan now.**

## ***Twenty20 Captains Report***

The club was asked to put a team into this competition and I asked to captain this team. After our previous venture into the twenty/20 competition last season, I hoped that we would improve. Most other clubs thought that we would just joke around and not take the competition seriously.

They were wrong.

We showed from the very first game against Balga we meant business and we wanted to finish top. Though this didn't happen, second, we were not afraid of setting big targets to chase. It was a pleasure to see the improvement of our younger players, Dan Sadik, Ashley Doherty, Lachlin Delaney, Chris Bennett and Brendon Bridges. They all performed well with the bat of ball.

Our only down fall was the Grand Final against Sorrento Duncraig, where for the first time our batting let us down, but to our credit, the team fought the game out.

I know that it hurt us all not to win the last game, but I believe this will make us more determined next season to go one step better.

To: Mat Veitch, Andrew Ganz, Barry Cruickshank, Myron Grosser, Dan Sadik, Ashley Doherty, Lachlin Delaney, Chris Bennett, Brendon Bridges, Raj Chhana, Greg Furlong, Brad Sutton, Jaron Bresland and Luke 'spongebob square pants' Finnie thank you for your effort and support for all the games. You all made my job a lot easier.

### **HIGHLIGHTS**

- *Dan Sadik first fifty for the club.*
- *Ash 'Bevo' Doherty batting display and not being dismissed*
- *Fazio and Bridges final two overs against Sorrento Duncraig*
- *Faz's fifty against Quinns Rocks in the semi-final*

Once again thank you all for the opportunity to captain and I hope you all enjoyed the twenty/20 season like I did.

## ***A Grade Captain's Report***

Firstly, I'd like to thank all the players who played A grade for their efforts throughout the season.

After finishing 7<sup>th</sup> last year, I wasn't quite sure what to expect this season. But myself, and the selection committee, agreed that the way forward was to expose some younger players to A grade.

As it turned out, that was a success. It was good to see Dan Sadik, Ash Doherty, Jarred Heasman, Matt Vietch, Brad Pimlott, Chris Bennett, Lachlan Delaney and Brendan Bridges, all show us that they are more than capable of playing A grade for many years to come.

Although we again struggled with the bat this year, we managed to bowl and field extremely well. There were many occasions where it seemed as if we were no chance of winning the game, but our bowlers seemed to get us over the line most of the time. Only once did we concede more than 200. But then on the other hand, we didn't once make 200 ourselves.....but who cares, we made the finals!

Highlights for the season included:

- Dan Scobles quick fire 91 against Joondalup/Kinross in Round 1 to help chase down 188.
- Dan Sadiks efforts with the bat all year, but in particular his 56 in Round 5 against Wanneroo.
- Jarred Heasmans 5/32 off 16 overs against Joondalup/Kinross in Round 11 to win us a close game.
- Brad Sutton bowled some unbelievable spells this year, including 6/20 off 12 against Balga in Round 2, and his 4/13 off 8 against West Coast in Round 12.
- Andrew Ganz's 5/31 off 16 against Wanneroo in Round 5.

Great effort to make the finals this season fellas.

Thanks.

## ***A Grade Player Profiles***

### **Andrew Ganz**

Struggled with the bat at times during the year, but still made some good contributions throughout the year. As always, has a knack of taking wickets.

### **Ash Doherty**

With a bit of a shortage of keepers at the club, Ash was given a chance to keep wickets in A's. I thought he did a great job, and it was a shame to see him go. Also showed promise with the bat. Hope to see him back in the years to come.

### **Brad Sutton**

Once again, another good year from Sutts. Towards the end of the season I thought he was bowling as well as he ever has. Thanks for all your help and support as vice captain Suttsy.

### **Dan Sadik**

It was good to see Sad's find some consistency and patience with his batting. Hard to stop when he gets going, and has become a very important part of our batting line up. Great in the field as well, even when he is asleep. (Bowls okay leggies as well, sometimes).

### **Dan Scoble**

Has been consistent for many years now, and this one was no different. Another 300+ run season. As per usual has a very reliable pair of hands, and took some great catches throughout the year. Thanks for all your support this year mate.

### **Jarred Heasman**

Developed into the strike bowler that we have been missing in years gone by. It's always nice to have someone with genuine pace on your side. Still plenty of improvement left in Heas, and I'm sure I am not the only one who is glad he is on our side. Well done on a great year mate.

### **Matt Rowston**

Not his consistent self with the bat this year. Showed signs of what he can do with the bat later in the year. Was nice to have someone with Matt's experience in the team. Thanks for your input this year Matty.

### **Lachlan Delaney**

Another new face in A grade this season. Lobbo had his moments, and definitely showed us glimpses of his ability. Hits the ball as well as anyone, and with a bit more patience will become a very good player for us. Handy medium pacer and good in the field.

### **Paul Upjohn**

Paul joined us this year, after moving from the UK. Instantly impressed, and it wasn't too long before he was in A grade. Plays his cricket with passion and always gives it everything he's got, and as captain you can't ask for more than that.

### **Matt Veitch**

Promising opening batsman. Started with a 50 at the start of the season, but struggled a bit after that. But in saying that, did well for his first year in seniors. Especially considering he was thrust straight into A grade.

Finally, I'd just like to thank all the other players that contributed to the A grade cause this year.

John Hill, Mark Pimlott, Mike Fazio, Myron Grosser, Brad Pimlott, Brendon Bridges, Chris Bennett and Barry Cruikshanks.

## ***B Grade Captain's Report***

At the beginning of the season, I undertook the role as B Grade captain. It was a role I was new at but I was looking forward to the challenges associated with the role.

With the side I selected, I believed that we were in with a very good chance to play in the finals. I know the old cliché, take every game one at a time, but what the hell lets be positive from the start and declare our intentions.

Unfortunately we didn't perform to the standards I believed we are capable of. We lost games that we should have won and we even managed to get out of jail in a couple of others. I think we let ourselves down and left it to the few to get us up and across the line. You can't do that in a team orientated game, we all need to perform at 100% all the time.

The pleasing aspect to come out of the season was improvement of players that will be our future at Kingsley Woodvale, with the likes of Chris BENNETT, Brendon BRIDGES who both played A Grade games during the season. There is a new player emerging with talent, Jerome MOHEN, who when he gets it right can bowl impressive spells and he can handle the bat as well.

We also saw two new players join the club, Gavin PEARCE and Barry CRUICKSHANK. We didn't see the full potential of Gavin, through injury, I expect that next year he'll show us why he will be an asset to the club. Barry came across from Sydney and showed he can handle the bat well and showed that he can play at a higher level and finished off playing A Grade, work on the catching but please don't bowl.

We had 27 players play B grade this year which really didn't help us settle down and have a stable side. Finishing 6<sup>th</sup> after the home and away fixtures probably doesn't truly reflect what this team is capable of, I hope that the roller coaster ride of the season will make the players hungry to improve and to play finals, because that's what we play cricket for.

I wish to thank FAZ, Morts and Doggy for filling the void as captain while I was playing A Grade.

I hope everyone is looking forward to challenging themselves next season...

### **Highlights of the Season**

- Kankles running from fine leg to fine leg, nice shuffle.
- Pigster ferocious bouncer that would have reach a speed of 47km/hr and with batsman assistance knocking him down against North Beach.
- Jimmy's one over against Warwick went like this; 6 0 4 6 0 4.
- Brad Pimlott – 59 against North Beach.
- Gavin Pearce – not turning up for a game when selected, nice one Gav.
- Pigster 7 ball batting display against Warwick where he should have been out 3 times...
- Joshua Bowler – This kid has potential as an opening fast bowler into the wind. Just look after the back, you will force your way into A Grade.

## ***B Grade Player Profiles***

### **“Morts” - Brendan Morton**

Just keeps on keeping on. Steady season with the bat, but took over the keeping role when Pig stepped up to bowl. Always has good advice when setting fields.

### **“Pig” - Myron Grosser**

What can I say about Pig that hasn't already been said? Bowled some very good spells and was rewarded with wickets. Batting let him down and he'll be the first to acknowledge that. Always gives his all.

### **“Jimoen” - Jerome Mohen**

Bowled some very impressive spells with good speed. Very enthusiastic in the field and like all fast bowlers believes he is the next Ricky Ponting. Just some fine tuning in his delivery and has to potential to dominate.

### **“Bridgy” - Brendan Bridges**

A good kid and who when he gets it alright can dominate the game with bat and ball. Unfortunately, the batting aspect wasn't up to the standard that Brendon believed he was capable of. Keep it simple. Bowling wise dominated with the ball and turned games to our favour. Finished the season well with 6/24 including a hat trick and 60.

### **“Doggy” - Chris Bennett**

Started well with the ball which saw him promoted to A Grade. Just needs to keep a high action to make the ball talk. Came back to B grade bowled well again and rewarded being made Captain for the last two games. Just keep improving Doggy.....

### **“Gav” - Gavin Pearce**

Came to us after a stint in the Pilbara and started slowly but towards the end of the season showed that he can bat and hit the ball hard. Injury unfortunately saw him miss too many games....Made a fine 51 against Marangaroo...

### **“Faz” - Mike Fazio**

The old man started slowly and I know he was disappointed with himself, but cranked it up when we needed him and forced his way back into A Grade. Proves you should never lose focus. Fine bowling performance against Wanneroo defending 81 – 5/10 and again against Wanneroo 51 in the Day Night game.

### **“Hampy” - Jaron Bresland**

If we could have a Hampy on both sides of the field sides wouldn't score many runs. Just gives 100%. Did bowl, my mistake, but what was pleasing was his batting improved so much so that he was rewarded by being selected in A Grade.

### **Others to suit up for B Grade this year included:**

Sorry I didn't right all little notes for you all but thanks to the following:  
Neil Thomson, Adrian Scott, Nathan Bennett, Dave Stephens, Brad and Mark Pimlott,  
Kent Burton, Paul Upjohn, Mat Veitch, John Finnie, Joshua Bowler, Ben Breadsall,  
Nathan Regan, John Hill Brad Driffill, Marty Waterfield and Steven Jones

### **Mike FAZIO (Chairman of Selectors) on Greg “Kegga” Furlong**

Keg plays with passion and aggression. I wish that some of the other players of this club did as well. Bowled some very impressive spells that turned games. Then lost to A Grade, deserved the promotion. Keg added another string to his bow and took on the captaincy and did a very good job. It's not easy is it Keg. Just believe in yourself because you have a good cricket brain for the job.

## ***C Grade Captain's Report***

Well another season has come to an end. Unfortunately it wasn't the season C Grade was looking for with having to save relegation in the last round.

This year we had a great blend of youth with Birdy, Stevo, Kankles & Josh Keenan with some old heads such as AJ, Smithy, Billy, & Sutts. Every Week our team looked like a team that could play finals but we barely fired a shot.

The Bowlers did their job by bowling teams out cheaply but with the bat we just didn't put our heads down and wait for the bad ball. We all just wanted to go out there and play the Gilly or Symonds. But as youngsters will learn over time and start to pick our ball. If we had done that this year I am sure we would have been up there in finals. At least it was a learning curve to the young guys who can learn from this year and build themselves into the batsmen they can be. We relied on the older guys to get the runs as well as the lower order.

Over the year there has been a fair few highlights and here is a few.

Round 2 our first victory with Bennett and Billy both scoring 50's

Round 3 Marty taking 6/14 off 12 overs.

Round 6 beating top side Kingsway Christian, chasing down 156 and only losing 6 wickets.

Round 10 beating another top side Kallaroo, making 186 and keeping them to 152.

Round 14 almost beating Kingsway outright with only one wicket away from taking it outright.

The rise of Nathan Bennett and Josh Keenan as top order batsmen.

Rise of our three strike bowlers, Birdy, Stevo and Doug.

I would like to thank the club for the opportunity to captain this year it has been a great experience for me. Also I would like to thank AJ and Billy for their input throughout my stint as captain, and for Birdy for taking over the couple of times.

It was a bit disappointing with no one scoring over 250 runs, and only another three scoring over 150, this just proves next year we need to work on our batting. But it was good to see that three people took over 20 wickets for the season and another two who didn't get the same opportunity as the others to take 11 wickets each.

Lastly well done to Raj and the A Grade on making the finals, with the amount of young blokes up there it just shows we will be a power house club again soon.

## ***C Grade Player Profiles***

### **Nathan Bennett (Kankles)**

Had a great start to the year which earned him promotion to B's for a couple of games. Has a lot of potential with the bat, if he gets a bit fitter he would be able to make plenty more runs.

### **Kent Burton (Birdy)**

One of C's best bowlers didn't take a big haul but consistently picked up wickets. Works hard with the bat, barely gets a chance to prove himself but when he did, he got a pair but still thinks he is a batsman.

### **Marty Smith (Smarty)**

Not his best year with the bat, but he proved he can still hang in there. However had a stellar year with the ball, took plenty of wickets with a good economy rate.

### **Josh Keenan (Joshy)**

Technically sound batsman, who is capable of making plenty of runs, had a reasonable season for his first year down at the club. One of the best fielders in the outfield.

### **Matt Lamb (Lambert)**

Had a good year with the gloves and showed glimpses of the batsman he can be. If he put his head down he would be able to play much higher.

### **Doug Ruddle**

Another one of our strike bowlers. Bowled well when we needed him to. He is another lower order batsman who can hang in there for a long time.

### **Dave Stevens (Biscuits)**

Another one of our strike bowlers, didn't bowl as he wanted to towards the end of the year. Can turn a game with the bat when he is on song.

### **Adam Sutton**

A Great team player who does what you want and offers great advice in the field. Didn't get much of a bowl because of our attack, but had a reasonable year with the bat, but he knows he could have done better.

### **Steve Jones (Jonesy)**

Was up and down through the grades which didn't help him with his batting this year. He started to get his consistency back at the end of the year which hopefully comes at the start of next year. Can also bowl and keep if required.

Thanks to the following guys who helped us out this year.

Ben Breadsell, Josh Bowler, Paul Brown, Matt Anderson, Matt Arrah, Geoff Ironmonger, Gav Pearce, Matt Green, Adrian Scott, Gav Connaughton, James Koutsoukos) Dave Jones, Matt Jones. Dave Parker and Sean Bennett.

## ***D Grade Captain's Report***

One might say that our performance in D grade this season has been like chocolates to boiled lollies. First last season and last this season. Although, the difference in players from last season has been quite significant. As disappointing as the season was I think we can still take some positives out of it.

Since taking over as Captain from Lamby in round 3 we certainly struggled to get wins on the board. As we are all aware the selections from week to week have been a bit of a nightmare. To come up with consistent and competitive teams each week was difficult but none the less with a few old farts and lots of youngies we managed to get a team on the park each week.

After the debacle against Ballajura I believe we were competitive in most games with out winning too many games. Round 4 was an exciting game and just when a win was within our grasp we fell at the last hurdle and managed a tie. Back to normal in the next few rounds with more losses but in Round 8 the tide turned when we had a team moral boosting win against Ballajura. Of all the games we played all season this was the one we wanted most and due to the determination of the eleven guys in the team that day we managed to pull off a great win. An early Xmas present for D Grade. Revenge is sweet.

The biggest positive for D grade and the club is the amount of young guys we have. The future looks bright if we can retain these kids. Players like Matt Connaughton who at 15 years old has matched it with the big guys and performed admirably in all facets of the game. Blain Merridew, Ruen Van der Berg, Ben Breadsell also have performed well and been good contributors for the team. All the oldies have also made some good contributions along the way. Mongers in particular has had another consistent season without getting into too much trouble.

Finally, I must thank the old farts, Mongers, Macca, & Dave Jones for their support throughout the season. They were all always willing to lend a hand no matter what was asked of them. (Scoring, collecting money, making sure the esky was always full). Without these guys things would have been a lot tougher than what they were.

Thankyou and see you all next year.

## ***D Grade Player Profiles***

<b>Alan (Macca) McCaw</b>	An oldie but a goodie. Not his most memorable season but he is always contributing in some way. The ultimate team man. Always puts the team first.
<b>Geoff (Mongers) Ironmonger</b>	Never a dull moment with Mongers around. Another pretty consistent season with both bat and ball although didn't trouble the scorers to often after Xmas. He also managed some good catches in the slips. (No footwork involved either).
<b>Dave (Mr Plod) Jones</b>	Always reliable and puts in 100% at all times. Always happy to help the young guns and has added some valuable experience to the team.
<b>Ruen Van Der Berg</b>	One of the young guns who has shown promise this season. Only 17 and with experience and hard work will develop into a good all round cricketer.
<b>Ben Breadsell</b>	Another young player with potential to be a very good opening batsmen. Like most young players he will improve as he gets older and I believe he will become a valuable contributor to the club in the future.
<b>Blain Merridew</b>	A new player to the club this season from England. A Pom with ability a rarity. He was slow to start but found his legs as the season went along and became an important bowler for the team.
<b>Matt Connaughton</b>	The youngest gun with loads of ability. Other than mongers has been the best wicket taker this year. Might be displaying some of mongers' treats. Doesn't like to let the ball out of his hands for to long.
<b>Josh Bowler</b>	A product of our juniors. Has performed well on occasions and if he keeps injury free will become a very good player in the future.

## ***G Grade Captain's Report***

Disappointing to say the least.

There are many clichés which come to mind. From chocolates to boiled lollies, if we were a race horse with 14 starts and 14 losses etc, but to me what sums it up best (and I am not a monarchist) is Queen Lizzy's "1992 (read 2006/2007) is not a year I shall look back on with undiluted pleasure. In the words of one of my more sympathetic correspondents, it has turned out to be an 'annus horribilis'".

In a season where it is easy to dwell on the negatives, I will let the stats do that and look for some positives.

With 33 players coming in and out through our ranks, there are some encouraging signs for the club as twenty of them are new to the club and fifteen of those are new to senior cricket and there is some potential for the future amongst them.

With not one person playing every game in G Grade for the season (which I don't believe I've ever seen before) I guess it was always going to be difficult to get some sort of game settled. I doubt there was one who didn't try to give their best in every game, but we couldn't seem to implant the sort of mentality which wins games. In fact we became quite adept at losing from a winning position. For example making our highest score of 190 and then allowing the opposition to reply with 8/224 in a one day game and bowling a side out for 117 and losing by an innings and 16 runs should not happen with everyone working as a team with bat, ball and in the field.

I guess the positive is that with the experience, we will learn.

After three seasons of success I guess I and G Grade were due for our come - uppance and we well and truly got it.

As difficult as it has been, I have enjoyed working with the stalwarts, the newcomers and the youngsters and with higher grade players being available more often believe we would have actually had a reasonable chance of having a successful season.

My thanks to John Finnie who took over the reigns when I was either trying to get the one day side going, unavailable or simply spat the dummy and to "Cat" who took it upon himself to learn how to score when he could see that it is impossible to umpire, score and bat at the same time. He became a valued ally.

Thanks to all who played G's during the season. I know there was some enjoyment but it could be so much more so. I hope to see you all at the club next season.

## ***G Grade Player Profiles***

### **The Triplets**

Were worth their weight in gold. Graeme worked tirelessly with the ball once again and deserved to win both bowling averages and Grade Champion. Mick who took on the gloves when we were left without a Keeper saved an old blokes back, legs etc etc. A worthy winner of fielding award.

### **Ryan Preen**

The third leg of the Esperance trifecta. A newcomer to the club is a youngster with plenty of ability. He only needed to play enough innings and was always going to win batting award. Hope to see you at club next season.

### **Mitch Spear**

Matured during the season and tried his darnedest to keep his wicket in tact when the chips were down. To bat something like 35 overs for 6 not out when were heading for another inevitable outright took guts. If only you had some mates, we wouldn't have lost 6 from 7 outright. Bowled well at times with a couple of good returns. Probably tries too hard to get wickets and needs to reduce number of wides and no balls.

### **Tim Rankin**

Has potential with bat and ball. Tim if you have ambitions to open the batting you need to change your approach to batting. Handy spells with ball but because you are not getting wickets every over is no reason to start bowling differently

### **Josh Hyland and Lindsay Bennett**

Both young emerging players destined for higher grades.

### **Owen (CAT) Davies**

Always gives his best with bat, ball and in the field. If only everyone had his application and determination. Finished season as vice captain and chief scorer.

### **Steve Di Florio, Ben Marks and Dean Weymark**

Newcomers who propped us up from time to time. Glad we had you guys.

### **Ross Hinscliffe**

Another newcomer to the club who gives his best. A bit rusty but showed signs.

### **The others**

John Finnie, probably didn't need the captaincy thrust upon him, hard working batsman, probably should have bowled. Macca, Matt Jones, Matt Green, James Koutsoukos, Ruan Vanderberg, Wade Dunnett, Tony Elam, Dave Jones, Quinton Bond, Jason Bremen, All came and went, all have talent and played too few games with us.

Ben Green and Ben Cameron. Juniors who I would have liked to had in side all season. Both have talent, guts and determination.

Dave Schultink, Ben Rose, Chris Engles (another junior), Rhys Ironmonger, Josh Finnie, Chris Bluett, Steve Combley, thank you all for your efforts

## ***I Grade Captain's Report***

Unfortunately with players unavailable from higher grades continually throughout the season, it was necessary to forfeit a large portion of games in this grade.

The club is grateful to all those who did play when we could fill a side.

Special thanks to the juniors who played when asked.

As there was nobody who played sufficient games to qualify for awards, there will be none awarded.

The stats have been provided.
