## President's Report

"Between the time when the oceans drank Atlantis, and the rise of the sons of Aryas, there was an age undreamed of. And unto this, Conan, destined to wear the jewelled crown of Aquilonia upon a troubled brow. It is I, his chronicler, who alone can tell thee of his saga. Let me tell you of the days of high adventure!" (1)

Well, maybe not the days of high adventure, but the Kingsley Woodvale Cricket Club (KWCC) season of 2008-09 started with great anticipation, given our achievements and standing at the conclusion of the 2007-08 season.

Leading on from the AGM, plans were developed to further enhance the strength of the club through the acquisition of a Coach, some additional players to bolster the potency of our overall membership base and incorporate social activities to encourage not only player involvement, but parent, partner or friend association with the club.

This year also saw KWCC take on Mr Chris Jones as our Club Coach. With a well planned pre season, focussing on specific skills and training, our lead up was extremely positive with opening games showing good results. Although work commitments denied Chris a greater presence earlier in the season, the upfront effort was rewarded through the club's results for the duration of qualifying games. Coupled with the continuing talents of Alan Jones and Brad Sutton throughout the season, it is the support and skill that these two individuals possess, that inspires others to perform.

The Club's success can also be measured by the committee it has elected and to the capacity of involvement the 'team' has. With the drive and determination demonstrated by all the committee members - David Jones, Kent Burton, Matt Rowston, Craig Bennett, Nathan Bennett, Chris Bennett, Lachlan Delaney, Daniel Sadik, Terry Leighton and Jared Clark, this continues to forge the strength of our club. With so many 'behind the scenes' activities, each individual pursued allocated tasks admirably and responsibly. The effort of Marty Waterfield in the earlier part of the season is also acknowledged, but due to work commitments, was unable to continue his term. The contribution that each of these individuals have given, is really quite immeasurable when one tries to quantify this at the end of the season.

"You never achieve success unless you like what you are doing" (2)

Special acknowledgement is most worthy to both Peter Duffy and John Finnie, who have assisted with those 'behind the scenes' tasks like getting the scores in each week, keeping the statistic's up to date, helping with bar

activities, general clean ups and valuable advice throughout the season. To everyone that has helped in some way (sorry if I don't mention you here), Thank you, it is very much appreciated.

Sponsorship for this season experienced a slight downturn, however, we were like many other organisations' vying for that support and contribution. We did continue on with the tremendous support from our sponsors, Kingsley Tavern, Slater Gartrell, Hog's Breath Café' and Chooks, to name a few, in the rewarding of individual efforts at the conclusion of each game. Thank you to all sponsors of the KWCC, our success is your success.

The season also saw us have the grades of A, B, C, E and a Division 1 and 2 in the PTL One Day Competition. Due acknowledgement of these individuals for the work involved is applauded, given the very nature of a very challenging task throughout the season. These leaders included:

Peter Duffy, David Jones, David Schultink – 'PTL One Day Competition'.  
Brendon Morton / Lucas Sartori – E Grade.  
Terry Leighton – C Grade.  
Barry Cruickshanks – B Grade.  
Brad Sutton – A Grade.

With the 'qualifying' season closing with the result of our B, C and E Grade in the semi finals, it is a tremendous effort from all participants in these grades in achieving this. It is unfortunate that the end result only saw C Grade in the grand final.

We should not forget either, the achievements of the 'One Day' finals with recognition to A and E Grade and Division 2 PTL League teams. Well done. Some clubs never see the light of final's activity as we have done. Although the 'flag' seems somewhat elusive, it is the sheer strength and resilience of every individual that the continuation of this accolade will be foremost in our desire to succeed. Being a member of a team, one can rely on the team. One can defer to it and sacrifice for it, because the team, with the individual, is the ultimate champion.

In our final concluding celebration and reflection of the season past, particular individuals will receive that 'level of success' recognition duly awarded for their overall contribution. However, as an individual, never lose sight of the fact that your contribution has played an integral part of that achievement for both the player and club success.

"If you want to take your mission in life to the next level, if you're stuck and you don't know how to rise, don't look outside yourself. Look inside. Don't let your fears keep you mired in the crowd. Abolish your fears and raise your commitment level to the point of no return, and I guarantee you that the Champion within will burst forth to propel you toward victory." (3)

In conclusion, a big 'Thank you' to my family Jo, Brooke and Chris. Their support and understanding throughout the season has been significant in giving me the opportunity to contribute to KWCC.

## Treasurer's Statement

I had a rocky and late start to this position with a laptop failure and associated dramas, however after some catching up we have made it through another cricket year and the club remains in a strong financial position going into the 2009/2010 season.

I would like to thank the captains for making my job easier this year in collecting the Ball Fees efficiently and acting as our financial policemen.

Our income was a little lower than budgeted for especially on the sponsorship front and we will need to make a bigger effort next year. Some of our expenses were higher than budgeted for included a laptop, coaching and equipment.

## Coach's Report

I was excited to join Kingsley Woodvale Cricket Club for the 2008/2009 season and would like to start by saying thank you to those at the club who helped make that happen. My initial meeting with the club was quite daunting as there were quite a number of committee members, with a lot of young blokes. This told me that there was a group of people who wanted to make the Kingsley Woodvale a better and more successful cricket club.

After starting preseason with a good number of players we entered sides in the A, B, C and E grades as well the newly formed One Day Divisions 1 and 2. At the end of the season with 4 out of the 6 sides making the finals and C grade making the grade final, I would say we had a relatively successful campaign. Had a few results gone a different way in the other grades we may have had all sides in the finals.

We started preseason in early August with sessions at the indoor centre at Wanneroo. There were also a solid crew of players who also attended on Saturdays. I think this hard work in the off season paid off in the early few games but our intensity probably dropped off, with regards to training, towards the latter end of the year. The committee and I are currently working on strategies to rectify this for next year. Having said that there have been outstanding performances this season including the consistent form of A Grade opening batsmen Gareth Wright. He has held the side together on more than one occasion. The impressive run scoring machine in B Grade, Matthew Green, who thoroughly deserved his promotion to A grade. Chris Bennett's 100 in B grade was another special performance. The Bridges boys continue to dominate, Bill and Brendon with the bat and Jeff with both bat and ball. A mention should go out to Tangy, who smashed 20 plus sixes for the year and played some match winning innings. On the bowling side you can't go past the "dynamic duo" of Sutton and Furlong in A grade and new boy Chilman who performed admirably as an All Rounder. Speaking of All Rounders Billy Piliotis and Mathew Andersen also had good years and were rewarded with A Grade games. The sublime bowling line up in C grade with several players under the average of 20 was excellent, Alan Jones (who took his 500th wicket for the club), Matt Connaughton, Kent Burton and bowling find of the year Captain Terry Leighton. Youngsters like Haydan Morton and PJ Morcom have performed extremely well for players of their age and will no doubt play a much higher level in the future. I am sure I have missed some but well done to everyone on their efforts this year.

I would also like to say thanks to all the captains. You have done a great job leading your sides and should be very pleased with how the season has gone. I am not sure if all the boys are aware but there is a lot of extra work

for captains so thank you for all the hard work organising your sides.

I believe the club is in a very strong position. There are a lot of great young cricketers at the club as well as the seasoned veterans who will carry Kingsley Woodvale to premierships in the future. The committee are working hard to ensure the right moves are being made off the field and the social functions have worked well. The club is well positioned in my five year plan to take out a premiership or two in the next few years.

From a personal point of view I would especially like to thank my Dad, Alan, for all his hard work throughout the year at training, during games and off the field. As you are all aware there aren't too many blokes who are more passionate about Kingsley Woodvale Cricket Club than Dad and his efforts have been outstanding this year. Thanks for all your help and support and congratulations on your on field success, 500 wickets for the club.

On a finishing note, I am looking forward to next season and playing more consistently. I had an interrupted year this year and will be able to commit more time at training and to games.

Thank you to all those who have helped me in my first year as coach and I look forward to a excellent 2009/2010.

## **A Grade Captain's Report**

I would like to thank Gav and the rest of the committee for allowing me to have another go at the captaincy.

The season didn't pan out the way I wanted it to. Coming off such a successful season, the expectation was there that we would be able to repeat it again this season.

For one reason or another we lost 5 players from last seasons side who were always going to be hard to replace. That is not an excuse for our performances as the quality of player that came into the side was very good, it does however take time for the side to gel and get to know one and other.

Once again it was mainly our batting that let us down this season, we had only two half centuries scored.

All the games we lost this season we were in a winnable position in all but one, which is a disappointing fact because we missed out on playing finals by one game.

A major factor in not being able to get the side to gel together earlier and it is maybe a reason we didn't win the close games is that not once in the 14 games this season did we field the same 11 players. That in turn causes problems for every other side. I know people sometimes have work commitments and holidays but if you sign up to play a season of cricket and you miss 2 or 3 games throughout the season, it does harm the team's chances of playing finals.

There were some positives to come out of the season. Chris Jones, Lachlan Chilman and Damien McVeigh all joined the club and proved that they will be key players for the Kings in seasons to come. Brendan Bridges played his first full year of A grade and showed he wasn't out of place. We were also able to get some A grade games into some of the younger members of the club. Matt Green, Basil Piliotis and Matt Anderson all made A grade debuts this season and hopefully we see their cricket continue to develop next year.

Hopefully we see a return to the finals in 2009/2010. Enjoy the break and see you all for pre season.

I would also like to thank the following players for their contribution throughout the season

Matt Veitch  
Jared Heasman  
Matt Anderson  
Chris Bennett  
David Tang  
Lachlan Delaney

## A Grade Player Profiles

**Gareth Wright** – Gareth enjoyed a much better season than his first. Scored over 300 runs and got us a off to a solid start on most occasions with the highlight being 82 against Wanneroo. Just needs to work on turning the strike over a little bit more and hopefully that will see him improve again next season.

**Dan Sadik** – Another solid season from Dan. Scored over 300 runs for the 3rd season in a row, but opposition sides are starting to figure out how to stop him scoring. Needs to find a way to counter them and become a 450 to 500 run player for us. As always excellent in the field and bowled some very handy spells when asked to bowl.

**Chris Jones** – It was always going to be hard for Chris this year with his work commitments. Chris did all the pre season and proved in the first game when he scored 45 what a great pick up he will be. Unfortunately he missed a lot of training and games after that. I'm sure that if he can sort out his work we will see the best of Chris next season.

**Brendon Bridges** – After a couple of seasons of going between A and B grade Brendon had his first full season in A's. Was asked to perform a number of roles and did so well. Finished the season strong with a couple of good innings to hold the middle order together.

**Shane Healey** – Not Shane's best season with the bat, just needs to find the confidence to score runs because he has the ability. Another solid year behind the stumps and was a big a help as vice captain this year.

**Lachlan Chilman** – First season at the club and made a big impact. Scored over 250 runs and when the captain figured out which end to bowl him from took around 15 wickets. After a season of getting used to playing on our pitches and the slow outfield I'm sure we will see an improvement in those figures.

**Greg Furlong** – As always Kegga gave a 100% to his team. Over 20 wickets for the season, with the highlight being 5 for 34 against Sorrento. Not his best season with the bat, but his efforts in the first game was enough to get us through to the one day final.

**Josh Bowler** – First full year in A grade and found it a little tougher than last season. Will be a better bowler for the experience but needs to take a step up next season if he is going to be our strike bowler. Played some entertaining and valuable innings and always kept his team mates entertained with his thoughts on the game (yes 6 balls in a over without scoring is a maiden)

**Matt Green** – The plan was to let Greeny play the season in B's but with players not available he was in A's in the 2nd game. Took a while to find his feet but played some good innings throughout the season. Bowled and fielded exceptionally well and with some A grade games under his belt will see him in the runs next season.

**Basil Pilliotis** – It was a hard season for Billy as he was the player who was up and down between the A's and B's. Although his stats probably don't show it he bowled some fantastic spells for A grade. Needs to work on his batting, but will be a very handy player.

**Damien McVeigh** – Like Chris did all the pre season and started of the season well, but didn't see much after Christmas. Bowled some handy spells but had a bit of trouble early on with accuracy. Hope to see him back at the club next season.

**Matt Rowston** – Matt came back this season after having a break and played some useful innings in A grade. Missed games at key times, which cost him any chance of getting the runs flowing. Hope to see Matt back to his best next season.

## **B Grade Captain's Report**

I would like to start by thanking the 30 players that participated in the success that B grade enjoyed in 2008/09.

The goal that I had for B grade this season was once again to provide as many young cricketers with the opportunity to perform and to hopefully get a couple of players into the A grade side. This turned out well with Basil Piliotis, Matthew Anderson, Matthew Green, and David Tang all making there A grade debuts.

It was also great to see the youngsters in C grade performing well and putting pressure on B grade with Matthew Connaughton coming into the team and performing extremely well.

After a sluggish start to the season and a low point half way through, the team fought back well and we won our last 6 games in a row. A win loss of 9 and 5 for the season.

Overall it was another successful season for the Kingsley B grade side with the team finishing 2nd after the home and away season and gaining a home final.

After a fine season it was very disappointing to lose the semi final to Sorrento. After a strong bowling and fielding display dismissing Sorrento for 60 the batsmen failed to fire and a disastrous batting performance had the side bundled out for 59.

Overall I am very pleased with the side's performance in 2008/09. The guy's certainly gave it their all and in the end we were not good enough on the day.

With the talent in this team and around the club success is not that far away.

Some notable performances in season 2008/09

**Matt Green**                    - 100 v's Sorrento  
                                      - 62 not out v's Sorrento  
                                      - 69 not out v's Balga  
                                      - Season batting average of 280

**Chris Bennett**                - 100 v's Joondalup Kinross  
                                      - 72 v's Joondalup Kinross

**Josh Keenan**                    - 71 v's Balga

- Barry Cruickshanks** - 51 v's Balga
- Glen Wishart** - 59 not out v's Balga
- David Tang** - 58 v's Kallaroo  
- 50 v's Balga
- Lachlan Delaney** - 52 v's Quinn's Rock
- Mathew Anderson** - 5/25 v's Joondalup Kinross  
- 6/16 v's Sorrento

There were also a number of times that batsmen made 40 runs in an innings or where bowlers took 4 wickets in an innings.

I hope that everyone has a good off season and comes back ready to hopefully bring that elusive premiership back to the Kingsley Woodvale Cricket Club.

Cheers All

## C Grade Captain's Report

I'd like to firstly thank AJ and the committee for again giving me the opportunity to captain C grade this season. For me personally it has been my most enjoyable season of senior cricket to date.

We began the season with no real lofty ambitions. We were the third consecutively graded side in our competition and were coming up against 3 clubs who top side was C grade. After missing the finals by half a point the previous season I knew the finals were not beyond us but knew it was essential we found some new faces to give us that extra few points to make the top 4.

These new faces arrived in the form of a bald headed run machine – Chris Rae and a mate of Kent's, though as I have said we shouldn't hold this against him – Tim Anderson. It was great to see the club find some totally unexpected and fresh talent to come into the middle grades. I think both of these guys will be pushing for higher honours next season.

Our 08/09 season began slowly with 2 losses in the opening 2 games. Both scores would have been sub 100 if it was not for Jerome's fighting 65 against North Beach in round 2 after he came in at number 9. As I have said in previous end of season reports I think it's essential players aren't pigeonholed as just bowlers or just batsmen. Players like Jerome Mohen & Steve Jones have shown throughout the season they are more than capable batsmen for the club.

Round 3 was the big turning point in the season for C grade. We conceded 210 runs in a one dayer against Landsdale and it looked as though it would be our 3rd straight loss putting the finals nearly out of reach very early in the season. We showed a lot of fight with the bat, which was lacking in the first 2 games and managed to pass the score with 2 over's remaining, with all batsmen contributing. This set the tone for the rest of the season with us averaging consistent 180+ run scores; something which we would be lucky to achieve twice in a season in years gone by. From that point on we only lost 3 more games – all 3 were against the top 2 sides.

The continued emergence of the young talent at KWCC was fantastic to see again with several juniors making their way as high as C grade. Ben Green and Cameron Mackinnon both showed enough to play a considerable amount of games in C grade, and both can hopefully go on to be future A' grade stars of the club. Matt Green & Mat Anderson are two great examples of how quickly players can go from C/E graders to quality A & B grade players.

I'd like to congratulate all the other grades on their seasons –

commiserations to B & E grade on their semi final losses, I'm sure we'll all come back bigger and better next season. Also a special mention to Schultz who captained the division 2 side for the first time and took them into the semi finals with one of the youngest senior cricket sides KWCC would have seen.

Finally I'd like to say well done & congratulations to all the boys who have played C grade this year and got us to a grand final. I'm extremely disappointed to miss the grand final but am sure Kent will captain the side very well in my absence and hopefully lead us to the flag we have deserved this season. I'd like to thank Kent for again being my vice-captain and also the fox, Alan Jones for his help throughout the season – I think his 38 wickets in 13 games has proved there's still a few years left in him.

I'll leave you with some of the highlights of our season:

- Jerome's 65 against North Beach in round 2 when we were 7/70.
- Chasing down 210 in 40 overs against Landsdale in round 3
- Ashley Doherty & Brad Pimlott's 120 run partnership
- Chris Rae's 84 against our arch rivals Greenwood
- The 'spin twins' taking 8/40 against Kingsway
- Kent's three 5 wicket hauls in the final 5 rounds
- AJ's 38 wickets for the season – not bad for an old man
- The team's semi final win against Ballajura. The bowling and fielding effort that day was the best I have seen in my 6 years at the club. In particular the bowling partnership between Tim Anderson & Jerome Mohen.

Til next year,

**Terry Leighton**

## C Grade Player Profiles

**Kent 'Roo' Burton** - After a slow start to the season Kent finished off with a bang. Taking 5/31, 5/13 & 6/49 in 3 of the final 5 matches. Deserves to be captaining the side in the grand final after being a very loyal vice captain for 2 seasons now. Still struggles to sit in conventional ways.

**Steve 'Nush' Jones** - Missed a good portion of the season with a back & then ankle injury though when he was fully fit was a valuable member of the side. His batting is extremely underrated at the club and his 47 & 2/22 in the semi-final is a major reason why we are able to be playing in a grand final. Takahide Ikenushi would be proud of him.

**Gavin 'Cut shot' Connaughton** - Another who missed a lot of the season due to injuries & work commitments. Spent a lot of time in B grade throughout the season though when we were lucky enough to have him always performed. Continues to be a great leader to the club and it would be great to see him play a full 14 rounds next season.

**Tim 'Unfortunately I know Kent' Anderson** - Joined the club midway through the season and has been one of the biggest finds for a long time. Has shown excellent potential with bat and ball and his fielding is second to none. It would not be a surprise to see him get an A grade cap next season.

**Alan 'The Fox' Jones** - Like a fine wine, AJ only gets better with age. Alan picked up 38 wickets this season, in the process getting his 500th scalp for the club. I reckon the old boy has another 500 in him. Better not mention that to his wife though.

**Terry 'Skip' Leighton** - I have thoroughly enjoyed captaining this group of blokes. It was quite easily the most enjoyable season of cricket I have had at KWCC. With the talent coming through the club has an extremely bright future. I hope to see you all back next season.

**Matt 'Millhouse' Rowston** - We were lucky to have Matt come down and play for us late in the season after playing the majority of his career in 'A' grade. Brought a lot of professionalism to the side and his slips catching has been first class. The big question with Matt is why did he miss round 13 - Scrabble or Monopoly?

**Peter 'White Maggot' McCaw** - Throughout the season was one of our most consistent batsmen. Made the number 3 position his own, though I'm sure he would have liked to go on with the many starts he made. Plenty of talent here and hopefully will build on that in the coming seasons.

**Chris 'The Juice' Rae** - The biggest find the club has made in a long time. Hits big sixes, has no hair & drinks Bundy – what else do you want in a C grade cricketer? It would be hard to count how many times he got us out of trouble this year and deserves all the accolades he gets. Keenan – do you hear footsteps?

**Cameron 'Little sh\*t' Mackinnon** - A junior who has been pestering me for a game for several seasons now. Eventually I gave in and he showed us glimpses of his talent. Hit a quick fire 45\* against Greenwood in round 13 which proved he has the ability. A deserved member of the grand final side.

**Ben 'Yet Another' Green** - Another young bloke who initially only came in to the side to fill in for a match. Show a lot of maturity with the bat and proved he can be the next Green to come through the C grade ranks and play some top grade cricket. Missed out on a grand final berth, though I'm sure there will be plenty more to come for Ben.

**Nathan 'Kank Kank Kank' Bennett** - Early season form was spot on, getting consistent starts. Laid a solid foundation for the side in numerous innings and if he can harness all of his energies into his batting can emerge as a top batsman for the club.

**Jerome 'Mohy' Mohen** - Potential has always been a word associated with Jerome and finally this season he showed it. Would be the quickest bowler out of the top grade and really started bowling some top quality spells this season. All of his hard-work resulted in a man of the match performance in the semi-final. Deserves to be considered one of the clubs premier all-rounders after amassing over 200 runs for the season.

**Matthew 'Joke' Connaughton** - Received a bit of a wakeup call after being dropped in round 3 to E grade. Since then he has fought back to be a leading B grade bowler. Will take the new ball in the grand final and can hopefully fire C grade to a premiership. Hopefully his feminine haircut will work in his favour.

I'd also like to thank all the other blokes who have played C grade this season!

## E Grade Captain's Report

Before taking over as E grade captain I was told it wasn't going to be an easy job. Whilst challenging it turned out to be more exciting than anything else. We were 2-2 with promise being shown in most games but not being able to capitalize at vital points in the matches. The next five games saw great improvement with many players stepping up when it was required of them and we won all five consecutively.

The likes of Bill, Morts and Mongers, our more experienced players, preformed week in week out and the youth of side such as Haydn, PJ and Linds contributed just as much.

Making the one day final was a well deserved accomplishment, unfortunately we couldn't come away with the win but I was still very proud of the boys to have got there.

The season overall was a solid one and we finished fourth in a strong, close competition coming up against Sorrento Duncraig in the semi. Going in as underdogs we gave it our best and really stuck it to them but in the end wasn't enough, we finished the game and season with our heads held high.

Was a pleasure to captain the boys, look forward to seeing everyone back down for 09/10 season.

Special Thanks to: Brian Beck, Cam McKinnon, Brad Pimlott, Darren Thorn, Matt Lamb, Matt Connaughton, Dave Jones, John Finnie, Alex Underwood, Alex Wood, Doug Ruddle, Jaron Bresland, Ash Doherty, Rhys Ironmonger and Ben Lumbus.

All of you helped us make to the finals and it is much appreciated.

## E Grade Player Profiles

**Lindsey Bennett (Pup)** - Lindsey started the year a grade below but when he got his chance he certainly made the most of it. Taking 16 wickets for the season including finals, he was a great contributor. Occasionally let off the leash on a Saturday or Thursday night when he didn't have horse feeding obligations. Shows his consistency with the bat as he was in contention for back to back duck awards late in the season. Top season mate.

Highlight: 3/26

**Bill Bridges** - Bill was the work horse of our side, always putting in 110%. Very rarely did he fail to contribute to the score making 594 runs for the season. Always happy to share his ideas about the game, his advice was much appreciated. Thanks Bill

Highlight: 94 runs

**Jeff Bridges** - Whether it was with bat or ball Jeff is a very handy player to have. Always keen to stand at square leg to watch his dad bat, Jeff was a great team player. The fact he had walked out of a nightclub only hours earlier was (almost) hardly noticeable. A gun in the field Jeff always contributed one way or another

Highlight: 6/47

**Geoff Ironmonger (Mongers)** - The Man. The Myth. The Legend. MONGERS.

Undoubtedly the most passionate member of our team and the most unpopular of the opposition. Mongers hate of losing was always helpful to spur us on if we were a bit behind in the game. Contributed with bat and ball and never gave us a dull moment.

Highlight: 57 runs

**Brendon Morton (Morts)** - Morts had a good season with the bat this year and was always consistent behind the pegs with the gloves. Always eager to help with ideas on game day and with last minute recruiting. Thanks mate.

Highlight: 78 runs

**Haydn Morton (H)** - A good young player Haydn always contributed to the side. Opened our batting with Bill all year and always tried his hardest. One of our highest wicket takers of the season, which for 14 year old playing

seniors is a great achievement. His solid batting and cool temper showcased his potential for much greater things to come.

Highlight: 4/7 and 70 runs

**Peter Morcom (PJ)**- PJ is a good young kid who really enjoys his cricket. Along with Haydn, being able to play a game before ours every Saturday morning and still have the energy levels he had was quite impressive. Continuously moved up and down the batting order PJ always looked solid. A real show of his abilities was when batted for a whole day making a game saving 135 which is an extraordinary achievement for the young fella. Will go to great heights with his cricket.

Highlight: 135 runs

## **One Day League Division One Captain's Report**

What a mouthful the name of this Grade became. When I took on the job of Captain of our fifth team, I was hoping that H Grade would be retained or we could slip into G Grade, however we reluctantly ended up having to accept our fifth and sixth teams in both Divisions of the One Day League.

The top two or three teams in each of the ODL Divisions are Clubs within Clubs with squads of dedicated one day only players. As such these Clubs fielded very strong teams, whereas KWCC ODL teams were our fifth and sixth grade rated players.

Having said all that, I am pleased to be able to report that my Division 1 Team was able to remain competitive in most games, to such an extent that at the Christmas break we were only a couple of points off second place. Although unable to win any games after Christmas we were only narrowly beaten in most of those games.

At the beginning of the season, I put plenty of effort into trying to assemble a fairly stable core of players, well knowing that the younger ones would probable graduate to higher levels. Ben Green and Darren Thorn are now in C Grade and 'Pup" Bennett is in E Grade. I was happy though to have Craig Benno, Trippi, Ian Graham, Duff, Monica Finnie, Matt Lamb, Kris and Jacob Johnson for most games, with special thanks to Woody, Puddles, Pete Keron and Macca who helped us out on several occasions. Thanks also to the other 20 plus players who passed through this side with cameo performances.

Highlights during the season were Darren's ton v Wanneroo in Rd 4 and Trippi s 8/12 v Ballajura in Rd 5 with some terrific consistent performances with both bat and ball from youngsters Ben Green, Jacob Johnson and Alex Wood.

I especially have to thank Duff who astutely lead the side 3 or 4 times while I was out injured. Also Benno for running the esky and fines tin.

Despite a disappointing finish to the season performance wise, I am pleased to say that I thoroughly enjoyed playing cricket with every player that played in this team during the season, bar none. A great bunch.

Look forward to suiting up again next season

**David Jones**

## One Day League Division One Player Profiles

**Craig Bennett** - Very consistent run scorer and tidy wicketkeeper. The grumpy old bugger was at his happiest when giving wayward bowlers a spray and at the end of a day's play, reminding us of who the bag packers were.

**Ian Graham** - 'Buckets' was a revelation in the field this season, taking many fine outfield catches and had the wood on some of the Divisions best batsmen with his bowling. Valuable team man.

**Graeme Triplett** - Quality bowler, probably not as dominant this season but, statistically, still a stand out performer.

**Pete Duffy** - Very astute cricketer who I was able to bounce ideas and tactics off. Enormous help to me on and off the field.

**Kris Johnson** - One of the younger old timers, a very talented player, showed us glimpses of his ability with both bat and ball this season. Hopefully will remain with us next season.

**Jacob Johnson** - At 15 had a learning experience this season. Made a couple of polished fifties with the bat and very tidy medium fast bowling spells. Has aspirations of playing District cricket and with his all round ability he is encouraged to play at his highest level.

**Matt Lamb** - Butchered opening bowling attacks with his flashing blade and got us off to some fantastic flying starts. Unfortunately didn't have him often enough to influence our position on the ladder.

**Ben Green** - Terrific all round cricketer who held down our number 4 batting spot with great aplomb and dangerous bowler. Highlight for me was seeing him throw the ball back to the wicket on the full, after a huge six hit by Wanneroo's Wally.

**Darren Thorn** - Polished batsman with prolific run scoring ability. Promoted to E then C Grade as his talent was recognised. Great sledger, fitted right in with his sledging of team mates.

**Alex Wood** - Consistent line and length bowler. Very young player who plays with a maturity beyond his years. Could always rely on him to tie an end up.

**John Finnie** - One of the Clubs great team men, batting was a bit down this season, but his fielding and bowling was first class.

## One Day League Division Two Captain's Report

I would like to thank those that have helped make this a successful season for the team. To AJ, Chris Jones and all those that helped out at training, thanks for your support. Thanks also to the committee and other captains for helping out where possible to see us through the season and into the finals.

We had a great year by making it into the finals and just missing out on the grand final. Throughout the season we struggled to field a side, often not having enough players until Saturday morning, but those that played week in week out really pulled the team together. The lose in the semi final really sums up our season with great batting and bowling efforts put in by all, only to be let down with our fielding. Hopefully this makes everyone more determined to succeed next season.

Being the bottom side of such an enormous club was often difficult and we sometimes struggled to field a side (even having to forfeit a game) but there were a few KWJCC players who stood up and became regulars for the side. With over half the team under the age of 20, we often came up against more experienced and knowledgeable teams, but to the boys credit they displayed skills and maturity well beyond their years. There was some great young talent in the side that will prove to be a great benefit to the club in future years.

I would also like to thank Duff, John Finnie, Sean Bennett and all those that helped with the captaincy; because let's face it I don't have much of an idea about cricket let alone captaining.

Also a big thanks to those that filled in throughout the season.

It was a great season and I hope to see you all back next year.

**David Schultink**  
**PTL Div 2 Captain**

## One Day League Division Two Player Profiles

**Rhys "Puddles" Ironmonger** - Had a great season with the bat putting together a few runs and his ability to hold up an end saw him play a few games in the higher divisions. Made a career high score of 41 against a stacked side where no one else could do much. Was called upon regularly to bowl a few overs and often came up with a wicket or two. Has a strong passion for the game and is often heard swearing at a missed opportunity for a run or a wicket. Will prove to be a great player for the club in the years to come.

**Ross "Edgy" Hinscliff** - Played every game for us this season and was called upon to open the batting on a few occasions. Proved to be a troublesome batsman to most teams with the uncanny ability to edge the ball over slips. Had a great season in the field taking some of the more difficult catches and always putting in 100%. A steady player for the team throughout the season.

**Peter "Duff" Duffy** - Having given up the captaincy this season, Duff proved to be an invaluable resource to the team. He helped out a great deal with captaining the side, even taking the reins on a few occasions. Often had the task of holding the tail order of the team together with the Cat and proved there is still some fight left in the old war horse. Was great to see him still playing (and smoking like a chimney).

**John "The Cougar" Finnie** - A great player for the team and helped out at every opportunity with the captaincy. Proved to be a dangerous bowler, if somewhat reluctant at times. Also handy with the bat, being able to steady the team after a few quick wickets. Would have been good to have him in the team for the entire season, but was a pleasure to captain in his few appearances.

**Owen "The Cat" Davies** - Always a great team player, being the first to offer a hand at setting up the ground or scoring. A consistent bowler keeping to the same line and length on each delivery and was often able to take a few crucial wickets when needed. Proved this year was not a slouch with the bat regularly taking on bowlers. A great asset to the team.

**Josh "Joshy" Hyland** - After missing out the first few games became a regular player for the side, often opening the bowling and taking a few early wickets. Was also capable with the bat being able to put on a few quick runs, but needs to learn to be a bit more patient. Could play in the higher grades if he made it to training every once in a while, but was a great team player throughout the season.

**Pete "Pistol" Keron** - Played his first season for the club this year and was a great addition to the team. Is a good bowler when he is confident in his ability. Also proved to be a good middle order batsman often helping the team to victory. Will be a great player for the club in the years to come.

**Adam "Weedle" Weeding** - This was Adam's first season with the club and proved himself to be a good player. Was regularly called upon to open the bowling for the team and didn't disappoint. Proved to be somewhat of a batsman also by the end of the season putting in a few good innings. Hope to see him back next season.

**Sean "Benno" Bennett** - Filled in for the team on numerous occasions until he pulled his back just before Christmas. When he did play was often a great help with the captaincy and decision making out in the field. A great asset to the team, and hope to see him return for another season next year.

**Jacob "JC" Copley** - Coped well in the side despite being one of the youngest in the team. Was asked upon to be the keeper for a majority of the season and never disappointed. Also a great batsman opening in every game that he played for the side and also managed a half century during the season. Will become an excellent addition to the club in the coming years.

**Michael "Mikey" Janssen** - Another one of the juniors that stepped up to become a regular through out the season. Is a fantastic bowler with the ability to take crucial wickets when needed. Proved to be handy with the bat also. Will be a great player for the club in the future.

**Ryan "Atko" Atkinson** - First filled in for the team just before Christmas, but soon became a regular player. Has great pace with the ball and was regularly opening the bowling attack despite being one of the younger players in the team. Also proved to be a competent batsman, especially in final. Will quickly move up in the ranks of the club when he joins next year.

**Nick "Morro" Morris** - A solid performer for the team, and was often a crucial part of the bowling attack. Was plagued by a few injuries during the season but returned to play in the final. Is a great asset to any side and will be good to have him play for the club next season.
